In the Money

BY MASTER CARVER PETER CALVESBERT
FIXED EDITION OF 300

Master Carver Peter Calvesbert has a love/hate relationship with horses. His wife Andrea owns two – Alfie and Scooby – whom she adores. Peter hasn't seen such doting since his honeymoon! Not only does Andrea shower her attention and affection upon her horses, but large sums are spent on them. In fact, the most expensive item in the Calvesbert home is a western saddle. It's no wonder that Peter's model of Alfie, in western saddle of course, is munching upon money.
